The Volkswagen Group's brands

The automobile naturally lies at the heart of all thoughts and deeds in the Volkswagen Group. This extends far beyond the group's manifold services covering the field of mobility.

The Volkswagen Group unites eight brands under a single roof - each with an individually tailored product range and particular identity. As a major customer of Volkswagen Group Fleet International this extensive product range will satisfy all your fleet requirements, however extreme! Visit the individual brand websites via the following links.

[Volkswagen Passenger Cars](#)

Europe's largest car manufacturer has set the tone in the auto world for decades with its model ranges and pioneering technology.

[Audi](#)

The brand values Sportiness, Progressiveness and Sophistication harmonized in the typical Audi "Vorsprung durch Technik".

[SEAT](#)

Technological precision and superior engineering skills combined with an emotional design – in short: enjoyneering. That is the SEAT brand.

[ŠKODA](#)

The world's third oldest carmaker looks back on a long tradition. The Czech marque has impressed with skilled handcraft and ideas for more than 100 years.

[Volkswagen Commercial Vehicles](#)

Spacious, robust, manoeuvrable, economical, reliable - Volkswagen Commercial Vehicles are all this and more. Or, in brief: lasting flexibility, lasting quality.

[Volkswagen Financial Services](#)

The perfect mobility concept for every fleet demand: Volkswagen Financial Services offers products and services corporate customers can rely on at any time.

[Scania](#)

The trucks and buses produced by Scania from Sweden meet the sophisticated demands of the transport business -- with the famous griffin in the logo.

[MAN](#)

MAN delivers the right tools for major tasks: its portfolio ranges from heavy trucks to comfortable buses and coaches.

[Porsche](#)

Making the most of every opportunity: today, this principle from the racetrack is part of every legendary sports car from Zuffenhausen.

[Bentley](#)

The vision of the luxury marque Bentley Motors is pure and simple: The brand produces particularly noble, high performance vehicles, as befits a genuine British automobile manufacturer.

[Bugatti](#)

Without doubt, Bugatti is one of the most famous car marques. Vehicles from the French sportscar stable have a tradition of being legendary.

[Lamborghini](#)

Hardly any car is as coveted as the "Fighting Bulls" on four wheels from Sant-Agata Bolognese. This intense power needs to be harnessed.

[Ducati](#)

Italian passion on two wheels: Ducati builds pure emotions – with an unmistakable design and sophisticated technology.
